Champion's Message - I'd like to thank a few people that made this all happen. Thanks to Dirk Ridley at Competitive Edge Bowling for drilling my equipment. Thanks to the Scott-Jones family for lending me some bowling accessories to get me through the match play rounds, without you guys my shot-making would have suffered. Another person I'd like to thank is Tony Bennett, without him I would not have bowled this week. He convinced me that I had what it took to compete in a tournament on Thanksgiving Day, which eventually led me to bowling the non-champions tournament. I also want to say that its extremely ironic that I had to bowl Fero Williams in the title match. When I started the tournament, I told the guys on my pair that he was going to win the tournament. He throws an amazing ball and I am ecstatic to have had the chance to bowl with him. Lastly, I'd like to thank the guys in the crowd that kept me in the game mentally and supported me throughout the final match.. - Jim Bosse
